

## EFFECTIVE FEEDBACK STRATEGIES

1

**Wait time** allows learners time to think, process and then to give answers. Give learners two minutes thinking time before taking responses.

2

**Exemplar work** – when setting learners' work, show them examples that make it clear what it is they are being asked to do.

3

**Live marking and modelling** to share feedback and check understanding

*Complete this sentence then we'll discuss connectives*

4

**Feedback sandwich**

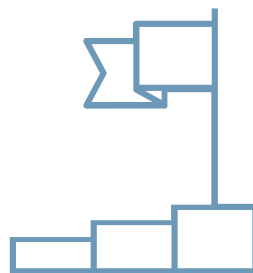

Positive comment

Constructive criticism  
with explanation of  
how to improve

Positive comment

5

**Set achievable  
small goals**

6

**Praise the skill  
shown, not the  
person**
