

**EXPLORING NEW
VOCABULARY
USING FRAYER'S
MODEL**

About this resource

Frayer's model not only aids reading but also language development.

Looking in detail at vocabulary especially if the words are essential to the topic ensures all pupils are able to access the curriculum

Source: The Frayer Model was devised by Dorothy Frayer and her colleagues at the University of Wisconsin as a way of supporting learners to develop understanding of new words.

This template was accessed at: <https://wvde.state.wv.us/strategybank/FrayerModel.html>
